ORDER

Adopted: January 28, 2022

Released: January 28, 2022

By the Assistant Chief, Audio Division, Media Bureau:

1. This *Order* amends the FM Table of Allotments (“FM Table”)¹ to remove certain vacant FM allotment channels that were auctioned through our FM competitive bidding process, and are no longer considered vacant FM allotments. The attached Appendix shows the FM Table, as amended, for those communities.

2. The FM allotments listed in the Appendix are currently authorized licensed stations. FM assignments for authorized stations and reserved facilities will be reflected solely in Media Bureau’s Licensing Management System (LMS).²

3. These FM allotment channels have previously undergone notice and comment rule making. This action constitutes an editorial change in the FM Table of Allotments. Therefore, a public notice and comment proceeding is unnecessary.³

4. The Commission will not send a copy of this *Order* pursuant to the Congressional Review Act, *see* 5 U.S.C. 801(a)(1)(A), because the adopted rules are rules of particular applicability.

5. **Ordering Clauses.** Accordingly, pursuant to the authority found in 47 U.S.C. sections 4(i), 5(c)(1), 303(g) and (r) and 307(b) and 47 C.F.R. sections 0.61, 0.204(b) and 0.283, IT IS ORDERED, That effective, upon publication in the Federal Register, the FM Table of Allotments, 47 CFR § 73.202(b), IS AMENDED, in accordance with the changes set forth in the Appendix to this *Order*.

¹ 47 C.F.R. § 73.202(b).

² *See Revision of Procedures Governing Amendments To FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*, Report and Order, 21 FCC Rcd 14212, 14221 ¶ 15 (2006)(stating that it is unnecessary for “occupied” allotments (that is, those that are licensed, permitted, or reserved) to be listed in the Table of Allotments ... ”we shall amend the Table of Allotments to reflect only vacant allotments that do not correspond to an authorized station or reserved assignment.”)

³ *See* 5 U.S.C. § 553(b)(B) (stating that agency may forego notice and comment procedures if it provides a brief statement of reasons showing that such procedures are unnecessary).

6. For further information regarding a proceeding listed above, contact Rolanda F. Smith (202) 418-2700.
